COACH AND MANAGER NOMINATION FORM

Note 1. If you do not have a child in the team you would like to Coach or Manage, you cannot be appointed to either role until you have undergone a "Working with Children Suitability Check." To obtain a Suitability Card you must submit an application to the Commission for Children and Young People.

The Club has application forms and explanatory material to guide you.

Note 2. Nominations for Coach and Manager positions are considered by the Club's Committee. The Committee reserves the right not to endorse a nomination, and to choose between nominees in the case of multiple nominations for a particular team.

Note 3. The Association's motto is "For God through sport" and our Club's mission Statement reflects our Christian values and our insistence on good sportsmanship.

We need Coaches and Managers who always encourage and praise their team members; who treat referees with respect; and who treat all team members fairly, regardless of variation in skill levels.
