### **CLUB HISTORY**

The Club started in 1978 as a sporting body of St. Barnabas Anglican Church. We fielded 51 teams last year to make us one of the largest clubs in the Qld Christian Soccer Association.

### **CLUB GENERAL MEETINGS**

The club meets monthly (usually at 7.30 pm on the third Thursday of each month at the St Barnabas Church Hall). All parents are welcome and it is expected that every team be represented at the monthly meeting by the manager or coach.

## **LINE MARKING**

The fields need to be marked each week by the club at 6.30 am on Saturday morning. Each family will be rostered to do the line marking at either Lister Street or Calamvale Community College at least once a season.

## **REFUNDS**

Please refer to the “Refund of Registration Payments” policy in this manual.

## **PLAYERS’ KIT**

The club lends each team a set of jerseys, which must be returned in good condition by the Team Manager at the end of the season. Players are individually responsible for the rest of their kit, which consists of royal blue shorts, yellow and blue socks, shin-pads and boots. Shorts and socks may be purchased through the Equipment Officer.

## **TRAINING**

In 2010 training is at the Lister St Field or Calamvale Community College, although teams are free to train elsewhere. In particular, U5, U6, U7 and U8 teams are encouraged to train at their local school. Teams will be required to submit their preferences for location and times at Team Formation. Coaches will be advised at the Coach and Manager night the final allocation.

**NB** Players must wear shin pads and boots at training. Metal studs are discouraged.

## **PARENTS’ BEHAVIOUR AT MATCHES**

Parents are expected to encourage children both in their efforts to play the game and to play fairly. Ridiculing children for errors or losing a game is not acceptable. **A copy of the Active Australia Code of Behaviour is available on the QCSA website. Our club motto is “For God Through Sport”.**

## **TEAM PHOTOGRAPHS**

Team photographs are taken during the season. One photo is included in each individual player registration. Extra photos may be ordered and paid for separately if required.

## **QCSA COMPETITIONS**

**Premiership & Championship** – Teams are awarded competition points for each weekly game (3 points for a win and 1 for a draw) and the team with the most points at the end of the general season wins the Premiership. The four

highest scoring teams in each premiership competition compete for the Championship at the end of the season.

**State Titles** – Sunnybank Saints is a member of East Zone and representative teams from each Zone compete in the State Titles competition which is usually held over the Queen's Birthday weekend. Players wishing to try out for the State Titles team will be advised of details as they become available. Further information can be located on the QCSA Website.

**Brisbane City Cup** – This is another regional competition, which is usually played on the Saturday following our Grand Finals.

## **TROPHIES & AWARDS**

During the season, if available, "McDonald's, KFC, and Brodies Awards" or awards from other sponsors, are handed out to the players at the discretion of the Coach and Manager as encouragement awards.

Each member of a winning or runner-up team (Under 9 to All Age) in either the Premiership, Championship, or Pennant Race competitions receives a medallion from the QCSA.

All club trophies are awarded to Junior teams (U5 to Junior Colts) at a break-up day at the end of the season, and usually takes the format of a family picnic lunch with games and rides for the children. A separate formal dinner is conducted for senior teams.

## **PENALTIES and FINES**

The QCSA levies fines on players and teams for inappropriate behaviour, such as bad language and roughhouse behaviour. Teams are also fined for failure to lodge match results on time or for failing to give at least 48 hours notice of intention to forfeit. Fines are also levied for incorrectly completed match cards.

**NB Such fines are the responsibility of the team or players concerned, not of the Club.** Players or teams that fail to pay their fines will be suspended from the competition by the QCSA.

## **UNPLAYABLE FIELDS**

If a field is unplayable, the QCSA will contact the Club's Secretary who will contact you and your manager via the website mailing list. If you hear nothing, it does not matter how heavily it may be raining, your team must report to the designated field or you will forfeit the match. The decision as to whether the field is playable then becomes the referee's.

## COACHES & MANAGERS

Each team requires a coach and manager and they are usually drawn from the children's parents. Coaches and managers must at least 18 years old.

**Nomination forms for Coach or Manager positions will be available at sign-on, during team grading, team formation nights and are also available on our website. All nominations will require endorsement by the Club Committee.**

Prior experience is not necessary. A surprising number of coaches and managers have never played soccer, yet the children have fun and the teams are successful. In fact, the club's first life member, Mr Brian Glazebrook, coached with great success at Sunnybank for almost twenty years without having played a game himself! He still coaches.

However, coaches are not without support from the club. Comprehensive coaching manuals, CDs and books are available from the Coaching Co-ordinator, and these have an abundance of exercises to give the children to help them build their skills. In addition, the QCSA runs courses for coaches and the Club will meet the registration costs for parents who wish to attend such courses provided they are coaching a team for the season.

Managers' duties for teams U9 and upwards are comparatively simple:

- a) Ensure that parents are kept informed of news from the club;
- b) Be the club's delegated official at the match (i.e. wear the high visibility official's vest supplied with the team kit);
- c) Ensure match cards are filled out and ID cards are presented at the match. If a player is borrowed from another team, their details must be noted on the match card.
- d) Lodge home-game match results in the results box at Lister St and text/phone/email away-game results.
- e) At home matches, the manager should introduce themselves to the Referee and the Visiting Team, and provide a completed match card to the visiting team **at least 15 minutes** before the start of the game.
- f) Check the opposing team's ID cards to ensure that players match their cards and that no unregistered substitutes have been made. (If the manager is not satisfied with the identity of a player, s/he may request two signatures by the player on the back of the Match Card. If s/he is still not satisfied, s/he may request, on the back of the Match Card, a Registrar's check.)
- g) Supervise a roster for laundering of the jerseys;

**Please Note: The jerseys are Club property and must be laundered as a complete set for uniform wear. They must not be worn to or from games and must be kept in the Coach or Managers possession except when being laundered.**

- h) Assist the coach at the match;
- i) Ensure that spectators and players stay behind the one-metre side-line; and;
- j) If they are the last home team playing on the field, ensure that nets are taken down.

### **IF THERE IS NO OFFICIAL REFEREE**

If no official referee attends the match (U9 and up), the teams must agree on a person to control the match. That person then becomes the official referee for the entire match and his/her decisions shall be accepted as official. If the match is not played because agreement cannot be reached, no points will be awarded, and a one point penalty may be imposed on either or both teams by the QCSA. It is the responsibility of the winning team manager (or home team manager in the case of a draw) to ensure that the Match Card is completed correctly and posted to the QCSA Registrar before 5pm on the following Wednesday.

The Club secretary should be advised of any matches where the official referee fails to attend.

### **FORFEITING OF MATCHES**

Any team that forfeits a match must advise the President or the Secretary of the Club of their intention no **later than 5pm on the Thursday before the match.** Otherwise the team will be responsible for referees' fees for both their own team and the opposing team as well as any penalty levied by the QCSA.

Any team refusing or failing to play the match, which it has drawn, within five (5) minutes of the time allocated to it, shall be adjudged to have forfeited the match. To be able to present itself for play, a team must: (a) be properly dressed for play, (b) have match cards completed, (c) be able to present all identification cards to the referee, (d) be able to field at least seven (7) players.

### **“PLAYER ISSUES”**

#### **TIME ON THE FIELD**

The Club's convention is that all junior players spend roughly equal amounts of time on the field and should participate in both halves of the game. The main exception involves tight games towards the end of the season when winning or losing is likely to make the difference between proceeding to the finals or dropping out of the competition.

However, this convention should be tempered by the players' attendance at, and behaviour during training. Players with poor attendance or poor application at training should expect to warm the bench more than their team mates.

## **ID CARDS**

Players may not play without an ID card. All players, except U5, U6, U7 and U8, have photographic ID cards. U8 players wishing to play in U9 games must upgrade to photographic ID.

During the season, ID cards remain in the custody of the team manager who is responsible for showing them to both the referee and the opposing team's manager, if requested. Under no circumstances are cards to be handed out to players, except for a temporary loan to allow a player to play in an older team (but beware of the "four game" rule) or to play in the State Titles. **ID cards remain the property of the club and must be returned at the end of the season.**

## **TEAM FORMATION & PLAYER GRADING**

U5, U6, U7, U8 and U9s are ungraded and may play in friendship groups. All other players (U10 and up) are graded and assigned to a team at an appropriate level of competition.

From U10 upward, teams are graded in accordance with our Grading Policy.

## **PLAYING UP and PLAYING DOWN**

The QCSA rules allow a limited number of players to be assigned to a team in either a lower or higher age range. Preference to playing down into a lower age group will be decided upon by the Committee giving preference to medical conditions and secondly to continuing players. Please refer to the "Player Registration" policy in this manual.

## **BORROWING PLAYERS**

Teams that are temporarily short of players (e.g. through illness, etc.) can borrow players, subject to four important considerations:

- (a) A substitute may be used in a team no more than two (2) years above the lowest age group in which s/he is eligible to be registered. For example, a player eligible to play in U9 but registered in an Under 10 team can fill in for U11 but no higher.
- (b) No junior player can play more than four games in a higher age range during the season. On playing the fifth game, the player automatically becomes registered in the higher age range and can no longer play for the original team!! (Merely being on the match card is sufficient. The player need not take the field to be deemed to have played.) Seniors players can only play 7 games. On the 8th game they then belong to that team and can no longer play for their original team.

- (c) **No player should be “borrowed” without the consent of his or her coach** and they should not be asked to play before their own match.
- (d) Players from higher age groups or divisions cannot be used as substitutes in lower age groups or divisions.

### **FIELDING AN INAPPROPRIATE PLAYER**

Any team that fields a player who is either not properly registered or who is ineligible to play in that age range will forfeit any points or goals obtained but will retain any goals scored against them.

### **CODE OF BEHAVIOUR**

The Club's Committee is determined to maintain a high standard of behaviour and ethics by all Sunnybank registered players. Whilst they are representing the Club, all players must comply with the following principles of behaviour at all times:

1. Respect the rights, dignity and worth of fellow players, coaches, officials and spectators;
2. Abide by the rules of the game and respect the decision of the referee or linesperson;
3. Maintain high standards of personal behaviour consistent with membership of a Christian Club.

The club has in place a management program to lead and direct appropriate player behaviour, but all players remain personally accountable and responsible for their own actions.

The following behaviours could lead to Executive Committee intervention, with short-term or long-term disqualification of player's registration being an option, independent of disciplinary action by the QCSA Discipline Committee:

- Dangerous play
- Offensive language on or off the field
- Disrespect for referees or linespersons, opposition team or officials, your own team members or coach
- Offensive behaviour in the vicinity of the field, prior to, during or after a match, or training session

### **“IMPORTANT POINTS ABOUT THE RULES OF SOCCER”**

#### **OFF-SIDE RULE**

U9 and above must keep “on side”. A player is offside if he or she is nearer than the ball to the opponent's goal line unless two opponents are nearer to the goal line than the player. A player cannot be offside in their own half or when receiving a ball direct from either a throw-in or a corner kick.

## **THROW-Ins**

Players taking a throw-in must have both feet on the ground at the time the ball leaves their hands, both feet should be on or behind the line, and the ball must be thrown with both hands from behind and over the head.

## **BALL OUT OF PLAY**

The ball must pass entirely over the line to be out of play.

## **COACHING FROM THE SIDELINES**

Provided they stay out of the way of the sideline referees, coaching from the full length of the sideline by both coaches and managers of U10 and younger teams is expressly permitted by the by-laws of the QCSA. The relevant section states:

*“20 (1) Managers and/or coaches of teams in age groups up to and including Under 10 shall be entitled to give coaching instructions from the spectator line along the length of the field. Under 11 and 12 managers and or coaches shall be entitled to give coaching from the interchange area, behind the spectator line only. Under 13 and above managers and/or coaches must remain in the interchange area behind the spectator line but are not allowed to coach from the sidelines.*

## **INTERCHANGE**

All interchanges must take place within the marked interchange zone, one metre either side of the half way line. A player shall enter the field only from the interchange zone and only after the player leaving the field has passed completely over the side line. Players leaving and entering the field must be ready to cross the side line immediately at an appropriate stoppage of play, and when signalled to do so by the referee. Referees must add on time for time they consider has been lost through substitutions.

### **“SPECIAL POINTS FOR U5, U6, U7 and U8”**

U5, U6, U7 and U8 play a simplified form of soccer with few rules. Some of the more important rules to be aware of are:

- (a) For U5, U6 & U7 and U8, the coach (or other adult) is permitted to run on the field with the children to provide encouragement and direction;
- (b) Direct free kicks at goal are never awarded;
- (c) There is no off-side rule;
- (d) A goal cannot be scored if, at the moment that the ball leaves the attacking player's foot, any part of the attacking player is inside the goal circle;
- (e) Players are given a second chance if they foul their first attempt at throwing the ball in; if their second attempt is also fouled, the ball passes to the opposing team. (A fouled attempt is one in which the ball is either not thrown from behind the head, is thrown with one or both feet over the side-line, or if either or both feet are off the ground at the moment of delivery);

- (f) Only the goalie is allowed in the goal area, except when a defending player takes a goal kick or a free kick;
- (g) Whenever a kick is taken, all players must be at least 5 metres from the ball.

***There are no sheep stations to be won at the end of the match.  
Remember our referees are learning, our players are learning. If you have a problem then please KEEP IT TO YOURSELF and contact the relevant COMMITTEE MEMBER.***

## **DISAGREEMENT WITH REFEREES**

Most referees are conscientious individuals who do their best under sometimes difficult circumstances. If you feel that a particular referee has been unfair or biased or incompetent, the best thing to do is to advise the Club's executive of the referee's name and match details, and, if we detect a pattern in behaviour with a particular referee, we will take the matter up with the referee's association.

## **THE CONSTITUTION (RULES) OF THE SUNNYBANK SAINTS SOCCER CLUB**

PLAIN ENGLISH SUMMARY (complete version available upon request)

The Sunnybank Saints Soccer Club Inc. was incorporated in Queensland under the Associations Incorporation Act of 1981 on the eighteenth day of February 1988 (certificate of incorporation no 3855). The following is a plain English summary that presents all the essential features of the club's rules.

## **THE CLUB**

The Sunnybank Saint Soccer Club is an incorporated associations affiliated with “The Queensland Churches Soccer Association” (Q.C.S.A.). Its objects are to encourage sportsmanship in amateur soccer, to provide inexpensive access to soccer, to improve members’ soccer skills, to organise practice matches, to field teams in Q.C.S.A. fixtures, and to encourage participation in St Barnabas Anglican Church.

## **THE POWERS**

The financial powers of the club allow it to do practically anything that is legal, including borrowing money from members and others (but not at rates above prevailing commercial rates). However, the association may never distribute its assets or income to its members, except to reimburse out-of-pocket expenses, repay loans, pay interest on money borrowed, pay rent, or pay wages.

## **MEMBERSHIP**

There are five classes of membership: player, non-player (associate), honorary, life, and corporate. “Player” members are all players over the age of four years. However, voting rights of players under the age of 18 years are vested in their parents or guardians who become defacto non-player members. As of January 2008, the club had no non-player members, no corporate members, no honorary members, and five life members (Mr Brian Glazebrook, Mr Evan Damke, Mr Richard Eldred, Terry Crimston and Maria Feige). There is no limit to the number of members but all members must be proposed in writing by one member of the club and seconded by another member. Members can determine membership fees at any general meeting. Management Committee decides how and when fees are paid.

## **ADMISSION AND REJECTION OF MEMBERS**

The Management Committee decides by simple majority whether or not to accept applications for membership and the secretary sends the decision to the member. Members may resign at any time by writing to the secretary. The Management Committee keeps a Register of the names and particulars of all members and any member may inspect it upon written application to be considered by the committee. The committee has a duty to ensure that prior to the release of any information, that the information being released will not be misused.

## **TERMINATION OF MEMBERSHIP**

Membership may be terminated by the management committee if a member is convicted of an indictable offence, fails to comply with the club’s rules; is more than two months in arrears; **or brings the club into disrepute**. People can appeal a termination or membership rejection at a general meeting of the club where both sides may put their case and the appeal is put to the vote. The

appeal must be requested within thirty days and the general meeting must be convened within ninety days of the request.

## **MEMBERSHIP OF MANAGEMENT COMMITTEE**

The Management Committee consists of the President, Vice-President, Secretary, Treasurer and other people appointed from time to time by a general meeting. One member must be elected from a panel of names nominated by St Barnabas Anglican Church should the church provide nominations. The Management Committee has general control of the affairs, property and funds of the club, and authority to interpret the constitution and any matter relating to the club on which the constitution is silent.

The management committee retires at each annual general meeting, but each member is eligible for re-election. Each member must be nominated in writing by two others and the nomination given to the secretary at least 14 days prior to the AGM. The secretary must publish all nominations at least 7 days before the AGM. Nominations may be taken from the floor of the meeting only if there are no nominations duly lodged with the secretary. Elections shall be by secret ballot with the candidates listed in alphabetical order.

Any member of the Management Committee may resign from the committee at any time by giving notice in writing to the secretary. A member of the Management Committee may be removed from office at a general meeting of the Association by the vote of the members present at that meeting.

The Management Committee can appoint any member of the club to fill any casual vacancy on the Management Committee until the next AGM, but need not fill any vacancy provided the committee still has a quorum. If the committee falls below a quorum, it may no longer act as an executive and may do nothing other than to call a meeting to restore the quorum. (A quorum is half the total number of committee positions plus one.)

## **MEETINGS OF MANAGEMENT COMMITTEE**

The Management Committee must meet at least once every calendar month. Decisions are decided by a majority of votes with tied votes being decided in the negative. Members may not vote on contracts in which they have an interest. Special meetings of the management committee may be called by one third of the committee, who must state the business to be considered. The secretary must give 14 days notice of special meetings. At meetings of the management committee (and general meetings), the Club President shall preside as Chairman. In the President's absence, the Vice-President presides, and, in the absence of the Vice-President, the members present choose the chairman. If a quorum is not achieved within 30 mins of the starting time, special meetings of the management committee lapse and other meetings are adjourned. The meeting will lapse if a quorum is not gained at the adjourned meeting.

## **SUB-COMMITTEES**

The Management Committee can delegate any of its powers to a sub-committee of club members chosen by the Management Committee. Tied votes in the sub-committee are decided in the negative. If it subsequently discovered that the appointment of any member of the management committee or any sub-committee is invalid or in any way defective, it shall, in no way, invalidate the decisions or actions of the management committee or sub-committee. A resolution in writing signed by all current members of the Management Committee is as valid as if it had been passed at a duly convened meeting of the Management Committee. (The members may sign different copies of the same resolution.)

## **ANNUAL GENERAL MEETING**

The Club's financial year ends on 30 September. The Club's Constitution requires the Annual General Meeting (AGM) to be held within three months of that date. The business of the AGM will include receipt of Management Committee reports; receipt of the financial report; receipt of the auditor's report; election of members of the Management Committee; and the appointment of an auditor.

## **SPECIAL GENERAL MEETINGS**

The secretary shall convene a special general meeting with at least fourteen days' notice on the written request of at least one-third of the Management Committee, or on the written request of ordinary members (the minimum number to make the request must be twice the number of members on the Management Committee plus one), or to hear an appeal against the decision of the Management Committee over membership (written notice must be given to the membership).

## **QUORUM FOR GENERAL MEETING**

At any general meeting, a quorum shall be seven members of which at least three must be current members of the Club's Management Committee. In the absence of a quorum, requisitioned meetings lapse and other meetings stand adjourned to a time and place decided by management committee.

A quorum is not required for the adjourned meeting. Meetings that have a quorum may, with the quorum's consent, be adjourned, but no new business may be considered at the adjourned meeting.

## **PROCEDURE FOR CONDUCT OF GENERAL MEETINGS**

Every question, matter or resolution shall be decided by a majority of votes of the financial members present, each of whom is entitled to one vote. At general meetings, the chairman has a casting vote. Voting shall be by show of hands or

a division of members, unless at least one-fifth of the members present demand a secret ballot.

The Secretary must keep full and accurate minutes of all questions, matters, resolutions and other proceedings of every Management Committee meeting and general meeting and the meeting's chairman must sign those minutes. The minutes must be available to members to inspect.

### **BY-LAWS**

The Management Committee can make, amend or repeal by-laws to manage the club, provided they do not conflict with the constitution. A general meeting may set any by-law aside.

### **ALTERATION OF RULES**

Subject to the provisions of the Associations Incorporation Act 1981, the Rules of the constitution may be altered by a special resolution carried at any general meeting. However, no such alteration shall be valid until the Under Secretary of the Department of Justice, Brisbane, approves it.

### **COMMON SEAL**

The Management Committee shall keep the Common Seal in safe custody. Whenever the Common Seal is used, it must be signed and countersigned by two members of the Management Committee.

### **FUNDS AND ACCOUNTS**

All moneys must be banked in the name of the club as soon as practicable. All cheques must be signed by any two of the president, secretary, treasurer or other member authorised by the Management Committee. All expenditure must be approved or ratified at a Management Committee meeting, unless otherwise approved by the Finance Committee.

### **DISTRIBUTION OF SURPLUS ASSETS**

If the association is wound up, the assets may not be distributed to the members but may be transferred to a similar association, provided that its constitution prohibits the distributing of assets to its members.

# **SUNNYBANK SAINTS SOCCER CLUB POLICIES**

## **“POLICY ON FAMILY DISCOUNT”**

(Version 2 - 09/01/2008)

### **1.0 PREAMBLE**

This policy outlines the Club’s position on eligibility for discounting of registration payments for second and subsequent children from the same family unit.

### **2.0 APPLICATION**

This policy applies to all Club members.

### **3.0 ELIGIBILITY FOR DISCOUNT**

3.1 The Club allows a discount on the registration fee for second and subsequent children from the same family unit, as defined below. As at 2008 season, the discount is \$30, but it may vary over time.

3.2 The intent of the discount is to provide relief to family units faced with the expense of registering two or more children with the Club.

#### **3.3 Definition of children**

All players in age groups “Under 15” or younger are considered children for the purposes of this policy.

#### **3.4 Example where discount does not apply**

If a parent registered to play themselves, and also registered one child, then the family discount would not apply.

#### **3.5 Example where discount does apply**

When a parent wishes to play themselves and also registers two children, then the \$30 discount applies only to the second child. Where a parent does not play, but registers two or more children, then the \$30 discount applies to the second and subsequent children.

## **“POLICY ON REFUND OF REGISTRATION PAYMENTS”**

(Version 5 -15/01/2010)

### **1.0 PREAMBLE**

This policy outlines the Club's position on eligibility for refund of registration fees should a player not complete a full season. Whilst the club does not intend to unreasonably withhold payments made, administration costs and effort are incurred as a consequence of player withdrawals and there is a need to balance a player's entitlement to refunds, with the player's responsibility to consider the Club's interests.

### **2.0 APPLICATION**

This policy applies to all players who seek registration with the Club.

### **3.0 SITUATIONS WHERE REFUNDS APPLY:**

- Injury or illness
- Transfer to another city
- Child player changes their mind (First year players, U5 to U8 only)
- Club is unable to place player in a team
- Other special circumstances accepted by the Committee

#### **3.1 Injury or illness**

3.1.1 Where a player is forced to cease playing as a consequence of injury from soccer or any other cause, or as a result of illness, prior to two thirds of the fixture rounds, a pro-rata refund will be paid.

3.1.2 A request for a refund must be made in writing to the Secretary and must be accompanied by advice from a medical practitioner regarding the player's inability to play soccer.

3.1.3 The refund calculation is as follows:

Refund due=

Registration fee paid x Fixture games remaining ÷ Fixture games scheduled

Minus \$30 Administration cost

Where a soccer injury claim has been submitted to the QCSA, the individual player's insurance premium will also be deducted from the refund.

3.1.4 Players who are granted a refund consequent to injury or illness will not under any circumstances be re-registered during the course of the same season.

### **3.2 Transfers to another city**

3.2.1 Where an adult player or the custodial parent of a younger player is transferred in their employment to another city, prior to the mid-point of the fixture rounds, a pro-rata refund will be made.

3.2.2 The refund calculation is as follows:

Refund due=

Registration fee paid x Fixture games remaining ÷ Fixture games scheduled

Minus \$30 Administration cost

### **3.3 Child player changes their mind**

3.3.1 Where a child player in U5, U6, U7 or U8 age groups, in their first year with the club changes their mind about wanting to play soccer and a refund request is made to the Club Secretary prior to the fourth fixture round for the player, a pro-rata refund will be made.

3.3.2 The refund calculation is as follows:

Refund due=

Registration fee paid x Fixture games remaining ÷ Fixture games scheduled

Minus \$30 Administration cost

### **3.4 Club is unable to place a player in a team**

Where the club has accepted registration fees from a prospective player and is then unable to place that player in a team, a full refund will be made of all money paid by/for the player.

## **4.0 SITUATIONS WHERE REFUNDS DO NOT APPLY:**

- Voluntary withdrawal
- The player's registration is withdrawn by the Club for breaches of Code of Behaviour or other reason.
- Withdrawals after two thirds of fixtures for any reason.

#### **4.1 Voluntary withdrawal**

4.1.1 Where the club accepts payment from a player and that player consequently withdraws from the club on a voluntary basis not encompassed by Clause 3 of this policy, no refund will be paid.

4.1.2 Withdrawal in the following situations constitute voluntary withdrawal:

- (a) Player disagreement with another player/players
- (b) Player disagreement with a team official or club official/officials
- (c) Disagreement between parents of youth players in the same team
- (d) Disagreement between parents of youth players and team or club officials
- (e) Parents withdrawal of a child because the team's training time or venue, as agreed by the majority of parents with the coach, is not convenient for the parent. In these circumstances, every effort will be made to place the child in another team.

#### **4.2 Registration withdrawn by Club for breaches of Code of Behaviour**

Where a player's registration is withdrawn by the Club for breaches of the Code of Behaviour, no refund of registration payment will be paid.

#### **4.3 Withdrawal after two thirds of fixtures for any reason**

Where a player withdraws from the Club after the two-thirds of the fixture rounds for any reason including injury or illness, no refunds will be paid.

### **5.0 PROCEDURE FOR REFUNDS**

5.2 Applications for refunds will be referred by the Secretary to the Management Committee for determination.

### **6.0 RIGHT OF APPEAL**

- 6.1** Where an adult player or parent of a youth player applies for a refund and is not successful, they may appeal to the Club Secretary within 14 days from receipt of negative advice, in writing or by email.
- 6.2** If an appeal is not received by the Secretary within 14 days of the date of negative advice, the right of appeal will lapse.
- 6.3** Appeals in regard to refunds will be considered by Executive Committee and a response to the appeal will be made within 14 days of its receipt.

## **7.0 DEFINITIONS**

### **7.1 Adult players**

Players registered in senior women, senior men or over age men teams, regardless of their age.

### **7.2 Youth players**

Players registered in junior men, colts or U5 to U15 age groups.

## **POLICY ON PLAYER REGISTRATION**

(Version 4 -15/01/2010)

### **1.0 PREAMBLE**

This policy outlines the Club's position on the player registration process generally.

The intention is to provide rules to govern our registration process so that the Club is able to comply with QCSA team registration time lines.

In addition, this policy is intended to allow the Club Committee more certainty in regard to player numbers and consequently team numbers so that firm advice can be given to players seeking to register, with regard to available vacancies.

### **4.0 APPLICATION**

This policy applies to all returning and new players seeking registration with the Club and will apply equally to players seeking registration in graded teams and in friendship-group based teams.

### **5.0 REGISTRATION TIMELINES**

- 3.2 The Club has to nominate team numbers in each age group and indicative Divisions to QCSA in early February.
- 3.3 The Club registration days occur in late January and early February.
- 3.4 The initial close of registration (ICOR) of players by the Club will be at the close of registrations on the last registration day as published (club event calendar, website and emails).
- 3.5 After the ICOR, players requesting late registration may be wait-listed for registration pending availability of vacancies in the age group. The wait-listing priority will be based on date/time of receipt of registration application forms including full payment.
- 3.6 Once player capacity is reached for an age group in accordance with clause 6.2, no further registrations will be accepted for that age group.

#### **4.0 PRE-REGISTRATION**

- 4.1 Players from the preceding season will be given the opportunity to pre-register on-line for the coming season. A discount period may apply for those returning players who register early. The discount period will be determined by the management committee.

#### **5.0 PAYMENT OF REGISTRATION FEES**

- 5.1 Continuing players who take advantage of pre-registration on-line will be required to pay in full for registration for each player prior to ICOR. If the continuing player's full payment is not paid by ICOR, the registration application will lapse and will not be further considered unless re-submitted as a **late registration**.
- 5.2 All registration applications lodged by continuing players after the ICOR will be categorised as **late registrations**.
- 5.3 Registration applications by continuing players lodged after ICOR will attract **late registration fee**, as published by the Club.
- 5.4 Registration fees for all late registrations must be paid in full on the date of registration including the loading if applicable.

## **6.0 CAPPING OF TEAM AND PLAYER NUMBERS**

- 6.1** The Club's Committee, based on team numbers from the previous season may choose to set a cap on team numbers in age groups from U9 upwards, and then limit player registrations to suit the team numbers.
- 6.2** The maximum number of player registrations accepted per team, for all teams will be as follows:
- U5-U8 8 players
  - U9-U12 13 players
  - U13-U15 14 players
  - JC, Men, Women 20 players
  - Over 35 Men 20 players
- 6.3** Following ICOR, team numbers, if not previously capped, will be finalised and submitted to QCSA. A team registration, for a team U9 and older, will not be submitted by the Club to QCSA unless a minimum of 10 players is registered for that team.
- 6.4** In cases where a minimum of 10 players are not registered and a team is not registered with QCSA, full refund of registration payments will be made.

## **7.0 APPLICATION FOR REGISTRATION IN A LOWER AGE GROUP**

- 7.1** In each age group up to U14, the Club is allowed to register two players from the age group above. This is called "playing down".
- 7.2** Where parents seek to register their child to "play down" into the age group below, and more than two requests are received for that age group, the Committee will decide who is given approval to play down based firstly on any medical condition and secondly on preference to continuing players.

## **8.0 APPLICATION FOR REGISTRATION IN A HIGHER AGE GROUP**

- 8.1** When a youth player (U5 to Junior Men) registers to play in a higher age group, they will be required to pay the registration fee for the higher age group.
- 8.2** When a youth player is placed in a higher age group by the Club, in order to balance team numbers, the registration fee payable will be based on the player's age.

- 8.3** When a youth player agrees to play in a Men's team, because they want to or because there are not enough players to form a team in their own age group, the registration fee for a Men's player will be charged.

## **POLICY ON GRADING OF SENIOR TEAMS**

(Version 3 15/01/2010)

### **1.0 PREAMBLE**

This policy outlines the Club's position on grading of senior women, senior men and over age men's teams.

### **2.0 APPLICATION**

This policy applies to all senior women, senior men and over age players.

### **3.0 GRADING PHILOSOPHY**

- 3.1** Most clubs grade players on their ability and place them in divisions commensurate with their ability, without reference to friendship groups.
- 3.2** Our Club's grading philosophy does take into account friendship groups.
- 3.3** Fair application of the policy will rely in part on the integrity of coaches and players, and their compliance with the policy's intent.

### **4.0 DEFINITION OF A FRIENDSHIP GROUP**

- 4.1** A friendship group would exist where a significant number of players, perhaps even an entire team came to the Club as new players and asked to remain together because they were friends.
- 4.2** A friendship group would also exist where a team had been together in the Club for a number of seasons and asked to remain together, rather than be possibly broken up by annual grading.

- 4.3** A friendship group could be extended if a new player came to the Club on the recommendation of an existing player or players with the express intention of playing with them.

## **5.0 GRADING PROCESS**

- 5.1** Friendship groups are allowed to remain together from season to season and to be graded as a group into the appropriate division.
- 5.2** If a returning player chooses not to remain with any team, including a team based on a friendship group from the previous season, they can ask to be graded into the highest possible division commensurate with their ability.
- 5.3** If a new player comes to the Club to join a friendship group, that will be allowed, provided the new player has adequate skill for the division into which the friendship group will be placed. If the skill level is not adequate, the new player will be placed in the division commensurate with their ability. If this causes a player to withdraw, a refund will be paid.
- 5.4** If a new player comes to the Club without any affiliation to an existing friendship group, the new player must be graded and will be placed in the highest division commensurate with their ability.

## **6.0 INCLUSION IN A FRIENDSHIP GROUP NOT GUARANTEED**

- 6.1** A returning player who desires to stay with a friendship group from the previous year may request to do so when registering.
- 6.2** The Management Committee will consider such requests.
- 6.3** A returning coach may ask the Management Committee to not include a returning player in a particular friendship group/team on any of the following grounds:
- 6.3.1 The player's skill level is not adequate for the Division into which the friendship group/team has/will be placed.  
or
- 6.3.2 The player's commitment to the friendship group/team is inadequate as evidenced by poor training attendance and/or poor match attendance.  
or

6.3.3 The player's behaviour on or off the field, during or after games has not complied with the Club's Code of Behaviour.

**6.4** If the Management Committee decides to not include a player in a particular friendship group/team, pursuant to Clause 6.3.1, a place will be sought for the player in an appropriate division, if available.

**6.5** If the Management Committee decides to not include a player in a particular friendship group/team, pursuant to Clause 6.3.2 or 6.3.3, a refund of any registration fees will be made.

## **7.0 APPEALS IN REGARD TO GRADING**

**7.1** Where disputation arises with regard to the grading of a player, the matter will be referred to the Management Committee or is delegated member/s.

**7.2** The Management Committee or delegated member/s will consult with all coaches in the relevant grouping (eg. all coaches of Senior Men's teams if grading of a senior men's player is disputed) before advising a decision to the player and coaches.

**7.3** Grading decisions by the Management Committee or delegated member/s can be appealed to the Club's Secretary by the affected player.

for Such appeals should be in writing and should set out the grounds disagreement with the decision.

**7.4** The Executive Committee will consider the appeal within 7 days of its receipt.

**7.5** Coaches from the relevant grouping who are also Executive members may contribute to the discussions in regard to the appeal, but will abstain from participation in any vote to resolve the appeal.

**7.6** Decisions by the Executive Committee will be final.
